## Food Service at Ivy League

Delicious kid-friendly food is prepared fresh daily in our on-site camp kitchen. Lunch consists of an array of hot dishes and hot and cold sides, sandwiches, yogurt, and a salad. Fresh fruit, cooked vegetables, bagels and pasta are always available.

Ivy League maintains a nut aware environment and accommodates campers with allergies, special dietary requirements and finicky eaters. A refreshing snack is served to each camper daily.

## Dietary Restrictions

Any and all dietary restrictions will be handled directly by your child's Division Leader. The Division Leader, in turn, will coordinate with our staff. Parents should provide us with all of the details of any allergy issues or dietary concerns on the camp medical forms. Individual attention will be provided on a case by case basis to ensure that your children are safe.

Alternate lunch and snacks are available throughout the summer to accommodate allergy and/or dietary concerns. We are fully committed to handling any and all food issues in an efficient and professional manner.

## Mini/Kindergarten Options

To assist us in keeping our youngest campers happy and safe, our mini and kindergarten campers will be offered an alternate lunch on certain days of the summer. Alternates will include chicken nuggets in place of chicken wings.

Additionally, many of our lunch items will be appropriately portioned and cut according to safety guidelines.

## Special Event Menu

Special event menus may vary from what is listed on our day to day menu.

## Snacks

An additional snack is provided on a daily basis to campers with the first and last lunch period. All campers will enjoy a refreshing afternoon snack consisting of ice pops, ice cream or fruit.

## Birthdays

Campers enjoying a birthday on a camp day will enjoy a special treat with their group during their afternoon snack. No outside food is permitted on our grounds.

## Safety

To assist us in keeping all of our campers safe, please do not send any food with your child or in your child's camp bag. All breakfast should be eaten before campers arrive on campus. Additionally, no food or snacks may be eaten or brought on any of our camp buses.
